**ECS Project**

**Engineering Technical Directive**                                    **No. 01-004**

Subject:                                                                                **01/23/01**

The following directive is issued to all DAACS and labs. The EGS07.2  pcnfs not used/needed for ECS on SGI platforms.

**Issue:**
The pcnfs is not used/needed for ECS on SGI platforms.

**Fix:**
The following is the command used to turn off pcnfs:
Log into each SGI platform as root.
Type:
**chkconfig pcnfs off¿**
Log out.

**Testing:**
Testing was completed at EDC.

**Implementation:**
This technical directive should be implemented on all SGI platforms.
